

# Arts & Crafts Research Fund

## Application

The Arts & Crafts Research Fund is a non-profit entity intended to raise and distribute money to enable researchers and writers to complete their research into a subject area of interest to Arts & Crafts collectors. Funds are intended to help researchers complete their research in specific ways, such as covering travel expenses, photography, duplication costs and the like. Applicants for research funds are invited to complete this application and to submit it to Bruce Johnson (25 Upper Brush Creek Road, Fletcher, NC 28732), after which it will be reviewed by a committee of Arts & Crafts writers before a determination will be made. There is no deadline for applications, but funds will only be made so long as they are available. A report will be presented at the next Grove Park Inn Arts & Crafts Conference detailing the amount of money raised and distributed during the previous twelve months. Recipients of funds may be asked to share the results of their research at future Grove Park Inn Arts & Crafts Conferences.
